Hey Charlie,

Attached is a letter from San Diego Wholesale stating they no longer want to do business with us. I believe this is in part due to them having to wait for T3s, which were ones we had to manually update from Genetek. Also, they are stating some licensing discrepancies from Gentek and the supplier in Puerto Rico.

As far as the T3s, Dakota and I always worked with them, to get them the T3s ASAP.

Thanks,

This letter is to notify you that RPH Partners, Inc. dba San Diego Wholesale Distribution has terminated our business relationship and will no longer engage in any pharmaceutical sales transactions. This termination is effective as of December 31, 2020.

Transaction History discrepancies and neglected requests for licensing information from downstream wholesale distribution partners, Gentek, LLC in Stamford, CT and Drogueria Betances in Caguas, PR led to this decision.

This decision is not appealable as mandated by our standards.

If you have any further questions regarding this issue, please contact our Compliance Officer.

Sincerely,

Phil Montano
President
